

Waterloo Regional Police Service – Criminal Offence Summary – Most Serious Violation

Notes:

- Extracted from WRPS Niche Records Management System on 3/22/2024 10:23:59 AM. Data from the comparable previous time frame is re-stated.
- Statistics Canada’s Uniform Crime Reporting Survey was designed to measure the incidence of crime in Canadian society and its characteristics. Click [here](#) for more information.
- The most serious violation methodology (MSV) is used, which is the same as Statistics Canada’s methodology. The MSV counts only the first of up to four offences per incident that occurred in the specific time range. For violations against the person, violation counts are based upon the number of victims.
- NC represents “Not Calculable”.
